

f. Memberships to Professional Societies

- Curtis Alexander** - Member, American Meteorological Society
- Stan Benjamin** - Fellow, American Meteorological Society
- Ligia Bernardet** - Member, American Meteorological Society
- Carl Bullock** - Fellow, American Meteorological Society
- Lidia Cucurull** - Fellow, American Meteorological Society
- Jason English** - Member, American Meteorological Society
- Member, American Geophysical Union
- Brian Etherton** - Member, AMS Board on Environmental Information Processing Technologies
- Member, AMS Committee on Probability and Statistics
- Mike Fiorino** - Centennial Fellow, College of Earth and Mineral Sciences, Penn State University
- Mark Govett** - Member, Association for Computing Machinery
- Ben Green** - Member, American Meteorological Society
- Christopher Harrop** - Member, Association for Computing Machinery
- Member, IEEE Computer Society
- Thomas Henderson** - Member, American Meteorological Society
- Ming Hu** - Member, American Meteorological Society
- Eric James** - Member, American Meteorological Society
- Isidora Jankov** - Member, American Meteorological Society
- Hongli Jiang** - Member, American Meteorological Society
- Member, American Geophysical Union
- Jaymes Kenyon** - Member, American Meteorological Society
- Mike Kraus** - Member, American Meteorological Society
- Steve Koch** - Fellow, American Meteorological Society
- Andrew Kren** - Member, American Meteorological Society

- Terra Ladwig** – Member, American Meteorological Society
- Jennifer Mahoney** – Member, American Meteorological Society
- Kevin Manross** – Member, American Meteorological Society
– Member, American Geophysical Union
- Joseph Olson** – Member, American Meteorological Society
- John Osborn** – Senior Member, Society for Technical Communication – Rocky Mountain Chapter
– Member, Society for Technical Communication Special Interest Group on Science Writing
- Steven Peckham** – Member, European Geophysical Union
- Tanya Peevey** – Member, American Geophysical Union
– Member, American Meteorological Society
– Member, American Physical Society
– Member, Earth Science Women’s Network
- William Roberts** – Member, American Meteorological Society
- Thomas Schlatter** – Fellow, American Meteorological Society
– Member, AMS Committee on Weather Forecasting and Analysis
- Sher Schranz** – Member, American Association for the Advancement of Science (AAAS)
– Member, American Institute of Aeronautics and Astronautics
- Paul Schultz** – Member, American Meteorological Society
- Tracy Lorraine Smith** – Member, American Meteorological Society
- Jebb Stewart** – Member, American Geophysical Union
- Bonny Strong** – Member, American Meteorological Society
– Member, Project Management Institute
– Member, Institute of Electrical and Electronics Engineers (IEEE)
- Ed Szoke** – Member, American Meteorological Society
– Member, AMS Committee on Weather Analysis and Forecasting
- Craig Tierney** – Member, American Geophysical Union
- Edward Tollerud** – Member, American Meteorological Society
– Member, American Geophysical Union

Zoltan Toth

- Alternate Member, World Meteorological Organization/Commission for Atmospheric Sciences/Joint Science Committee
- Member, American Meteorological Society
- Member, European Geophysical Union

Joe Wakefield

- Member, American Meteorological Society

Yuanfu Xie

- Member, American Meteorological Society
